Collins Big Cat.
 Love reading.

Progress is a brand new range of reading resources to support children reading below age-related expectations. Each book is dual banded for interest and ability level.

Provide age-appropriate material at a lower reading level, and avoid stigma with grown-up illustrations and themes. Topics are connected to the curriculum, with a particular focus on boys' interests.

Promote speaking and listening skills - every book contains a reader response page to check comprehension, plus an Ideas for Reading page by Primary Literacy Consultant Gillian Howell with ideas to consolidate learning. Progress helps struggling pupils to learn to read - and to love reading.
